

# ENVIROCLEAN FA

Ogre Mfg. Llc.

Enviroclean FA is a unique general purpose biodegradable cleaner for all types of firearms. Removes lead, gunpowder, copper fouling, cleans and lubricates all in one easy step. Enviroclean has a high flashpoint (200 F) so it's safer to use than most of the conventional firearm cleaning solvents. For more information, e-mail Ogre Mfg. at [ogremfg@aol.com](mailto:ogremfg@aol.com) or give them a call (414) 475-9339.
